MMC Equality and Diversity Policy

Created March 2021
Subject to approval by the next Trustee meeting on 4.11.2021
Next Review due June 2022

Introduction

Equality means treating everybody fairly and respecting individuals' needs. Diversity is recognising that no two people are alike and that the distinctions between people should always be respected. Macclesfield Music Centre recognises this and aims to ensure that equality and diversity is actively promoted between Board/Committee, administrators, tutors, volunteers and members, as well as the community they work in. Macclesfield Music Centre is prepared to adapt what they do and how they do it, in order to be inclusive.

Our Policy

Macclesfield Music Centre (MMC) is committed to the principle of equality of opportunity and diversity and recognises that administrators, tutors, volunteers, members or service users should not experience discrimination on any grounds.

To promote equality and diversity within MMC, we will:

- Encourage, value and manage diversity and to promote equality of opportunity in all areas of its work and structure, and will take positive action in the areas of employment and volunteering, representation, membership and service provision.
- Recognise that many people in our society experience discrimination. It is our policy that no person or group of people should suffer oppression or lack of opportunity because of their gender, pronoun, race, nationality, disability, sexuality, age, HIV status, class, geographical location, trades union activity, marital status, political activity or religious activity.
- Believe that all forms of discrimination are unacceptable, regardless of whether there was any intention to discriminate or not.
- Aim to provide an environment where all administrators, tutors, volunteers, members and service users at all levels are valued and respected and where discrimination and harassment are not tolerated.
- Recognise that The Equality Act 2010 identifies people who have an attribute defined as a 'protected characteristic' and prohibits discrimination against them by reason of that attribute.

The characteristics that are protected by the Act are:

- Disability
- Age
- Gender Reassignment
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race
- Religion or Belief
- Sex
- Sexual Orientation

Definitions

‘Equality’ means understanding and seeking to remove the different barriers to equal opportunities for different groups of people.

‘Discrimination’ is acting unfairly against a group or individual through actions such as exclusion, verbal comment, denigration, harassment, victimisation, a failure to appreciate needs or the assumption of such needs without consultation.

The term ‘disability’ applies to a person who has a physical or mental impairment that has a substantial and long-term adverse effect on their ability to carry out their normal day-to-day activities.

‘Race’ includes ethnic or national origins, colour or nationality.

The Equality Act 2010 is the statute replacing previous anti-discrimination laws. It applies to all organisations that provide a service to the public, sell goods or provide facilities, irrespective of whether they charge for them.

Implementation

It is the responsibility of MMC business committee to implement this policy, and to review it annually.

Administrators, tutors, volunteers, members, committee members and service users have a duty to co-operate with MMC to ensure that this policy is effective in ensuring equal opportunities and in preventing discrimination. They should draw the attention of a member of the business committee to suspected discriminatory acts or practices or cases of bullying or harassment.

MMC will ensure that the users of this policy are made aware of its contents and responsibilities by presenting it in a suitable form, offering an accessible copy where appropriate.

All trainers, facilitators and consultants contracted to work for MMC will be required to support our Equality and Diversity policy.

Copies of this policy will be freely available to administrators, tutors, volunteers, members and any other interested parties. A copy will be displayed in a prominent position in places where our activities are regularly carried out.

Training will be provided for administrators, tutors, committee members and volunteers on cultural awareness, disability awareness and other subjects that will develop from equality and diversity.

Action we will take

We will:

- Achieve, wherever possible, a membership, committee membership and workforce that broadly reflects the local community in which we operate and is representative of all sections of society
- Ensure that individuals are treated fairly in all aspects of their employment with Macclesfield Music Centre
- Make it clear that intimidation, harassment and bullying will not be tolerated and may lead to disciplinary action
- Ensure that all our services are provided in a way which promotes awareness of the rights and needs of the people who face discrimination and enables all people to have access to them
- Encourage the development of skills and knowledge through training
- Ensure that premises used in relation to our work are accessible and inviting for all members of the community

- Work with ‘education before confrontation’ to challenge any discrimination or oppressive behaviour from and towards any members, volunteers, clients or agencies we work with
- Work in a way that recognises peoples’ individual needs
- Regularly evaluate this policy and seek feedback from those who are affected by it
